**CAMP FEATURES**

- One-on-one instruction
- DVD of technique instruction will be given to each participant
- Secondary insurance provided to all participants
- Guest instructors
- Top level technique instruction (Cross body rides and pinning combinations, double grapevine, tilts, crab ride, cradles, arm bars, halves, leg "defense", funk wrestling)

The instruction will feature a system of top wrestling, rather than a "barrage of moves." At week's end, campers will be much more confident in their ability to ride, turn and ultimately pin their opponents.
